Same Old Thing

Every year you come back thinking "how many more times am I going to have to go through this?". The bother, the worry, the unexplained hustle and nervousness of your first day of school. You've been doing this since you were just a kid; having your mom patiently walk you to your "new room" all seven years in elementary school. You try to act COOL about your mom being there. Finally you graduated to Junior High-the big step. We all came without our moms and all got lost, embarrassingly, together in the huge school which was to be ours for the next three years. Finally, the ultimate step, the big "C". When we first came here, everyone felt a little apprehensive. As sophomores we were a little in awe of everyone. As juniors we laughed delightedly at not being the "lowest"; and as seniors realizing, yet thanking their lucky stars, that this was one of the last "first days of school".

Clubs At CHS

Remember all the clubs which you (could have) joined?! And all the fun you had participating? The pep club had their spirit signs dotting the hallways, while AFS sponsored our foreign exchange students showing them what fun we Americans can have. Then there's Interact, with their witty scavenger hunt, Leo club with all their community work. The Latin club had us eating all those wonderful goodies they slaved over. We can't forget the Band, Bandfront, and the Cheerleaders celebrating our Pioneer wins. This doesn't even begin to list the number of clubs we've supported. I'm sure we'll all remember for times to come those fabulous bake sales we had in the main lobby almost every other day. All in all, clubs at Conestoga have been an important part of our High School Years.

Effort

Just when you thought it was safe to leave school, putting the tortuous rigors of the day behind you, longing for some relaxation and vegetation in front of the tube, you remember PRACTICE . . . football, soccer, band, lacrosse. For the next two hours you have to put out 100% worth of sweat, pain, and constant yelling from coaches. In the end, it pays off. You and your team have won!

Those Summertime Blues . .

Remember the summer — those hot days, those cool nights; walking down the beach staring at those glistening, perfectly toned bodies — or even being stared at yourself! You can still feel that summer heat — not only the sun, but the fun! The friends you've encountered, laughed with, cried with. There was also that certain someone; you shared those special moments — the good times and regretfully, the bad times. Partying day and night, just one big weekend. Okay, you worked. How could summer be summer without those summer jobs — and we took 'em — from working at Hilary's or being a legendary telemarketing telephoner, to lifeguarding at every spare minute. All these times are over, for the summer of '86, but in just a few short months — look out! Here it comes again!

Looking Back

Remember when . . . ? How about the time when . . . !” Memories — no matter who you are or who your friends were, there were many of those special memories that we all shared at the big “C”. Morning announcements were the definite highlights of everyone’s days with the ever helpful thoughts of the day and the slightly inaccurate “Rit-Picks”. Free periods in the courtyard were always relaxing if you could stand the bees. If you couldn’t, there was always the cafeteria where you could purchase a well balanced breakfast consisting of doughnut gems, sugar smacks, toast with jelly, and a coke. For those of us who didn’t do their homework the night before, there was the library where we would go to study, but end up reading the sports page of “The Suburban” or talking about the past weekend’s events. These memories were ones we’ve all shared and will remember a long time after graduation.

The History Of . . . The Class Of 1987

"Have an awesome summer and I'll see ya next year at the Big 'C!' How many times was that written in your ninth grade yearbook? But suddenly, there we were, one class divided between Valley Forge and T/E, and we wondered if we'd ever become friends. This feeling wore off quickly as we realized we were not just a class divided, but we were SOPHOMORES!!!

We were so proud of ourselves for making it through that first half-day of school but little did we know that juniors and seniors would be with us from Thursday on. We couldn't wait to actually buy candy and soda during lunch, but yes, the seniors made it quite clear that first day in the cafeteria that our dream would not be coming true. Before we knew it, elections were upon us and we chose our best! Dane Watts, president; MaryBeth Cahill, secretary; John Levenson, vice-president; Meg Buck, treasurer. Kirk Thibault was selected to design the class logo. Our homecoming court consisted of Topper Ray, Glenn Mahoney, Graeme Wildman, Colleen Park, Lynne MacDonald and Meghan Thumm. That year brought many new experiences including Highway Safety, impossible gym locks, sophomore study halls PSAT's and of course those famous words, "I know CPR, can I help?" We saw our first and last Battle of the Pioneers as sophomores (we won and weren't supposed to) and the athletic dominance of our class came to light with sophomore sensations, Kirk Thibault in soccer, Clay Buckley and Nina Alston in Basketball, Owen Hibberd in wrestling, and Jane Kleiderlein in swimming. Unfortunately the end of the school year saw a drought, which prevented us from having the sophomore car wash. The end of the year also brought our first high school final exams. Our class grew together and by the end of the year we no longer considered ourselves sophomores.

The best thing about starting our junior year was that we weren't sophomores anymore, but we were facing what was said to be "the hardest year of high school." We began the new year by electing an all-male student council consisting of Dane Watts, president; Mike DeHaven, treasurer; John Levenson, vice-president; Tim Murphy, secretary. Athletic teams at Conestoga became very prominate as the school captured a record number of Central League titles including ones in Girls Tennis, Golf, Boys Basketball, Girls and Boys Swimming, Wrestling, and Ice Hockey, which retained its State Championship. Many of the sports teams were led by juniors such as Clay Buckley who became the all time leading scorer breaking the 1000 poitpnt barrier in Boys Basketball. Nina Alston also accomplished this in girls basketball. The incredible enthusiasm and school spirit shown by the student body (especially the juniors) helped us to all of this success. The homecoming game was postponed due to grey skies, but the junior court shone with Clint Huddleston, Graeme Wildman, Topper Ray, Meghan Thumm, Colleen Park and Lynne MacDonald.

People flocked to see our Junior Cabaret, a night of talent, good food and the outstanding work of the MC's: Gretchen Eberhart, Doug Gates, Derek Jones, John Levenson, Mark Lueders, Tim Murphy, Josh Sacks, Mark Savage, Kirk Thibault, Meghan Thumm and Dane Watts. Another night of talent was the production, *Flowers For Algernon*, that fall's play.

That winter 854 continued to come through for us, rain, snow or shine. Suddenly, the end of the year was near and we anxiously awaited May 2, the night of our Junior Prom. In the midst of our pre-pre-prom parties, our pre-prom parties and our post-prom parties, we all enjoyed dancing to our theme song, "Maybe, I'm Amazed" (or was it "Baby, I'm Amazed"?). By the way, what was served for dinner? And thanks to Mike DeHaven, anxious to try new ideas, instead of pretty champagne glasses, our class received, yes, Conestoga key chains as our prom favor. But let's all admit it-isn't *yours* on your keychain?

One final sad note about our junior year-we unexpectedly lost three of our much admired teachers at Conestoga; Mr. Beck, Mr. Espisito, and Miss Chisena.

The summer would hold many new faces, places and hundreds of cases (soda, of course!). Some favorite hangouts were The Mann, the Spectrum, and the Ledge if you could ever find it (was it a right or a left after the fifth tree on the right?) And let's not forget the many trips to the Barn!

Almost as soon as our senior year began, senioritis hit hard. Senioritis, the infamous affliction which affects all seniors midway through their senior year (or earlier) and causes them to have a poor attitude toward all academic studies, struck our class with an overwhelming force. Even though we as a class were susceptible to this illness, we accomplished a great deal. From our days as "good for nothing" sophomores, to the present where we are omniscient seniors we have learned a lot and had a darn good time. Those blue cards were finally in our hot little hands to do with whatever we pleased. The executive council consisted of Dane Watts, president; Mike DeHaven, treasurer; Tim Murphy, vice-president; Bill Smith, secretary. Alison Newton and Jaqueline Beckers stole the show in that fall's Drama Club production, "The Miracle Worker".

The pagentry of homecoming was reinstalled by promoting the classes to produce floats. A homecoming dance highlighted the early part of the year showcasing the homecoming court: Topper Ray, Graeme Wildman, Colleen Park, Meghan Thumm, and King Glenn Mahoney and Queen Jenny Prescott. As for the floats, they didn't work out as planned due to rain, but we are thankful and grateful to those responsible for bringing back that tradition. Thanksgiving day game finally arrived. And yes, could you believe it? It was actually clear! No rain? That good feeling prevailed over the final score of the game, Marple Newtown 19, Conestoga 0.

A new tradition was started our senior year; jello wrestling!!! An exciting match between Hillbilly Bill Cracas vs. The Prince of Pepperoni Profeta was the highlight of the event. We felt nothing could match the excitement of that night but our senior class prevailed and produced an amazing Senior Variety Show. The trio of Savage, Lueders, and Newton kept the audience in stitches with their hilarious M.C. skits.

We had all been told that senior year was a breeze, but with SAT's, Achievements, and endless essays, it didn't look like easy street. Thank-you Mrs. Sack for your endless supply of manilla envelopes and computer disks. Also thanks to Mrs. Reichert and Mr. Frederickson for missing so many lunches for us.

All in all, our three years here at the Big "C" will never be forgotten. We will look back on these years as a time of friendship, learning experiences and a lot of growing up. Thanks guys, for three incredibly special years!

Have a large life!

Activities

Jello Wrestling

Jello Wrestling was definitely the biggest event of the year. The gymnasium was filled with people to see their friends wrestle in several inches of green jello. Our wrestlers were:

Halloween

The Halloween spirit was alive at Conestoga this past Halloween! Many students and faculty members participated, making our yearly lunchtime costume contest difficult. Winners this year were the Brewmeisters, (Chris Schwartz, Greg Mayes, Luke Sadrian, and Dave Koslowski.), Missy Taylor, and Mr. Vanderslice.

Senior Variety Show

The 1986 Senior Variety Show proved that the Class of '87 is filled with talent. Under the direction of Mr. Woodworth, the show was one of the best ever. The auditorium was packed to see . . . Act I . . .

The Stoga Shuffle-M. Anthony, C. Buckley, S. Burton, J. Paytas, K. Perry, R. Piccone, B. Pogyor, R. Undercoffler, D. Watts.

Distraction-C. Clark, G. Cross, D. Currie, J. Higgins, B. Hoch, T. Parker.

And the M.C.'s were A. Newton, M. Lueders and M. Savage. The 1986 Senior Variety Show was impressive!

Dances

The Courtyard dance and the football team sponsored Hoedown dance served as some of the opening festivities for Conestoga students. Both dances welcomed back students to school and allowed old friends to get back together again after summer vacation. Both had a good turnout, and the Hoedown showed great support for the football team.

Not unlike years past, this years Homecoming dance was quite a spectacle. This semi-formal raised a great amount of spirit for the upcoming Thanksgiving Day game against rival Marple Newtown. Stoga celebrated our Homecoming Court, especially King and Queen Glenn Mahoney and Jenny Prescott; and the revival of an old custom-the floats. The Homecoming dance was a success, and a very special part of the school year.

The '86-'87 school year showed one of our most promising events. We have a football team to be proud of, floats were brought back into the curriculum, and we had three great sets of Homecoming Courts. To top it all off, the weather Thanksgiving Day was gorgeous! This is definitely a great year.

M. Billet, M. Lenhard, H. Park, B. Wagner, C. Ferraro, E. Driver.

The Miracle Worker

The Miracle Worker, a story of Helen Keller's struggle against blindness, was Conestoga's first drama club triumph of the year. With a lot of personal time dedicated to this play, the members gave a show which was outstanding, showing great acting talent. Congratulations to all of the people who worked hard to make the Miracle Worker a show to be extremely proud of.

A Family Portrait is a totally new concept in Conestoga history; the first school play to be written, produced and acted totally by the students. This play was co-written by Angie Mlinko and Leslie Power, and produced by Mimi Yoseloff. Erin Foltz, Melissa Martens and Dave Bardeen hold the leads in this story about the modern age family and it's problems. We hope that this will become a yearly tradition for Conestoga students.

Pep Rallies

Conestoga's spirit was shown at our Pep Rallies held for the purpose of cheering our varsity football team on. Led by Andrew Siegle and Lynnell Peace, and backed by the Conestoga Cheerleaders, the crowd was psyched up to a loud volume of cheering. The near end of the season was ended on an upbeat note.

International Week-End

International Weekend is a big activity of the school year sponsored by the American Field Service (AFS). 59 students from 18 different countries were hosted by Conestoga families from Jan. 15-19. These foreign students visited Conestoga on the 16th to see our school and participate in our classes, and for the rest of the weekend were shown different aspects of our life; including a special dinner for them, a trip to Philadelphia, and a toga party. International Weekend is a great way to learn about foreign cultures, and share ours with others. Plus it provides a chance to make a lot of new friends.

FADS FADS AND MORE FADS...

Fads. They come and go, but they always leave their mark. "The moment is only temporary, but the memory lasts forever." In the same way, the fads may be only temporary, but we'll remember them for a long time after they have passed. Looking back, Hackey Sacs, Rubik's Cubes, Valley girls and Michael Jackson gloves bring back the memories of the time during which they were popular. Just think, someday we may be sitting in a college dorm wistfully remembering Outback Red, Reeboks and those "carefree" high school days

THOSE OUTRAGEOUS OUTFITS!

Clothing fads have followed strict patterns in the past, but lately it's become sort of do your own thing. Believe it or not, most of us were caught in bell bottoms or plaid during our elementary years. Then in junior high, we dressed like the cover of the Official Preppy Handbook. Anyone not clad in khaki or pink and green was either a geek or colorblind. Dressing has lost many of these limits, although shoe laces must be untied and the style *must* be your own. Walking down the hall, one can find remnants of the renaissance, along with the styles of the forties and the fifties. In addition, it's easy to spot the tie-died look (via the Dead), preps, bleeded jeans and girls in men's underwear. This year it was okay to wear something from mom's jewelry box, dad's closet and your little sister's junk drawer. Some of the most popular of the styles consist of college sweat-shirts. (Penn State being the most popular.)

Braided bracelets, hair clips, bows, untied Reeboks, boxer shorts (hopefully not from dad's drawer), C.B. Jackets and Guess Jeans, Outback Red clothing, overalls and boots (yes, even cowboy boots) have become popular. Along with these were big earrings and silk shirts. More than one watch is being worn these days, though it doesn't matter where your watch collection is displayed; on your wrist, around your ankles, or in your hair. Some of those inane people even wore them around their waists. Speaking of waists, people whose waistlines are not quite small enough can take solace in the fad of wearing big clothes. Dad's sweater makes a great addition to an outfit consisting of a big bow, big earrings and a big skirt. Sure, guys can't take advantage of a big bow or skirt, but large hightops and overcoats are definitely in this year. Now bows can surely be considered a fad, but basketball? Usually this sport is not a fad, but that changed this year during

the team's awesome season, and because of a group called Gerry's Kids.

Never before has Conestoga been so psyched about basketball, even though the referees were hardly so enthusiastic about Gerry's Kids. Conestoga's individualism has the power to make even an age-old sport a new and exciting fad.

The 1986-87 school year has not been a year chock-full of fads and fashion. The styles have consisted of bits and pieces. Sure Reeboks, Bean shoes, and college sweat shirts are fads, but they probably won't hold as real reminders of Conestoga. I think we'll remember the individuality that developed here, most of all. Who knows, twenty years from now it may not be a braided bracelet or C.B. Jacket that brings a wave of nostalgia. It just could be our daughters borrowing their mother's jewelry, or our sons wearing their fathers big overcoat!

SOUNDS OF 'STOGA

A key way of expressing ourselves is through our music. During the summer we all flocked to the Mann for "good times," listening to everyone from Robert Palmer to Whitney Houston. Everyone went and had a blast, and those who didn't, didn't know what they were missing.

During the school year we went all out for concerts. Some of the headlining concerts were Steve Winwood, Phil Collins, Peter Gabriel, Genesis (twice), Crosby Stills and Nash, Billy Joel, The Beastie Boys, Run D.M.C., Bon Jovi, and of course, The Grateful Dead.

SO OK, YOU'RE THIS New Jersey bar band with great expectations and loads of talent, and you never wanna be less than on top. You slug away, make a coupla albums and the third time at bat, you put it out of the park. Hard and high and still climbing, past two million in sales and into history with a Number One spot on *Billboard's* Top-100. You've now become only the fourth hard rock band ever to make that grade. So what's it all about, Jonny?

"It's impressive when you realize all the great bands who didn't make it to Number One. Bands like The Scorpions, Motley Crue...Def Leppard came closest, they got to number two.

"But we don't take too much satisfaction from returning hard rock to radio. I don't believe any of that stuff, Lenny. I'm really happy they're playing it on radio, but they're not doing so because somebody picked it up one day and said: 'Oh, it's the new Bon Jovi record. Let's throw it on heavy rotation.'

"That initial single, *You Give Love A Bad Name*, was the most requested song in the country. That meant a lot of kids were calling the radio, calling MTV, wanting to read about us in magazines. They're the ones to take credit for putting us on the radio. And by implication, making radio just a little heavier."

While they may not be as tonnage heavy as, say, Iron Maiden, Bon Jovi songs like *Let It Rock* and *Livin' On A Prayer*

The messages keep coming at Ronald Reagan, from friends, senior leaders of both parties, veteran public officials belatedly summoned to provide outside counsel, even his wife. Their essence can be put in one word: act. Fire Chief of Staff Donald Regan or CIA Director William Casey, or both, as proof that the Administration intends to make a fresh start. Call the key figures in the Iran arms-*contra* funds scandal, Oliver North and John Poindexter, into the Oval Office and demand from them an accounting of their activities. But above all, do *something*. Don't just wait for inquisitive journalists, congressional investigators or, eventually, an independent counsel to force out all the facts about North's sticky web of arms and money dealings. That will only intensify the drip, drip, drip of daily revelations that is wearing away the White House's credibility at an alarming rate.

The President, appearing befuddled by the growing scandal that in one bizarre month has poleaxed public confidence in his leadership, seemed willing to listen but not hear. As former aides cloaked themselves in the Fifth Amendment, and new revelations poured forth, Reagan kept repeating that he wanted all the facts to emerge. Yet he did nothing on his own to break open the mysteries. Revealing an insouciance that is the dark side of his charm, he told a friend, "I watch every day like everybody else to find out what will come out. I'm as puzzled and interested as anybody."

Reagan's Credibility

OFFICIAL VERSIONS

The U.S. sold Iran a "really minuscule" quantity of arms, which would easily fit into a single plane, said Reagan; the U.S. later acknowledged that sales included 2,008 TOW and 235 Hawk missile systems.

Two shipments from Israel in August and November of 1985 were not condoned by the U.S. until after the fact, and Reagan did not learn of them until later.

"Representatives of Israel," says Meese, deposited the Iran profits skimmed for the *contras* into Swiss accounts; Reagan says the U.S. was not involved.

The CIA's Swiss account received only the funds the U.S. was owed from its arms sales to Iran; the profits skimmed for the *contras* went directly to another account that their representatives controlled.

CONFLICTING ACCOUNTS

Ninety tons of arms were loaded aboard two cargo planes in May. The second load was never delivered—but there were at least three additional shipments, as well as arms sent by Israel.

McFarlane told Congress that Reagan gave prior approval for the August shipment. The CIA provided transportation for the November shipment. The U.S. replaced the Israeli arms that were shipped.

Israel insists that it knew nothing about the *contra* payments and claims they were made directly by the Iranians, at U.S. direction.

The *contras* say they had no Swiss accounts. Reports are that the funds were commingled with Saudi money in a CIA fund that supported the *contras* and Afghan and Angolan rebels, or that they were in accounts controlled by "consultants" linked to North.

Ronald Reagan feels it came as a "bolt from the blue," and now he considers it the most serious problem he has confronted during his 14 years in public office. According to an intimate, the President remains "very disappointed and very disturbed about what he was not told" about the Iran-*contra* scandal. Reagan still thinks he does not know all the details of the Iranian arms shipments and the subsequent funneling of profits to the Nicaraguan rebels. "Everybody keeps saying that they want all the facts," says this ally. "My God, so does he!" In his radio broadcast Saturday, the President regretfully conceded that "the execution of these policies was flawed, and mistakes were made."

Demands that he dismiss more top aides have nettled the President, yet his thinking has apparently shifted somewhat over the past week. He does not want to be pushed into abrupt firings or show signs of yielding to pressure. He answered with a testy no! to reporters who repeatedly asked him whether he planned to jettison Chief of Staff Donald Regan, and an aide insisted that the President had no plans to sack CIA Director William Casey. But it is now quite probable that both men will be departing from their posts within the next month or so.

Soviet tanks pulled stranded motorists out of six-foot snowdrifts along the Vienna-Budapest highway. Daredevil Parisians skied down the snow-blanketed steps of Montmartre's Sacré-Coeur Basilica. Big Ben's famous chime was reduced to a dull thud as its bell hammer froze. Packs of hungry wolves emerged from the mountains to roam through isolated Czechoslovak villages in search of food. Across Europe last week, wind-whipped masses of frigid Siberian air, often accompanied by heavy snowstorms, sent thermometers plunging to some of the lowest levels of the past quarter of a century, paralyzing transportation, closing schools, businesses and government offices, and causing more than 264 deaths. Summing up the chaos, the London *Standard* proclaimed: TODAY IS CANCELLED!

Wednesday is a busy day for the Tati discount store on the Rue de Rennes in Paris. School is out that afternoon, and mothers, particularly those with modest incomes, flock to Tati with their children in search of bargains. Thus the sidewalk in front of the store was bustling last week at 5:28 p.m., when two black-mustachioed men in a black BMW drove past. As the car slowed down, the man on the passenger side got out and dropped a package into a trash can near the front door. He quickly hopped back into the car and rode off. A few seconds later an explosion shattered the happy sounds of shoppers. "There was simply a noise, very loud, then the screams of the people," recalled a witness. In an instant the sidewalk was littered with the bodies of the dead, the dying and the wounded. Shattered glass, bits of clothing and pieces of human flesh turned the scene into a grotesque tableau of gore and destruction. The toll: five dead and 53 wounded.

For the Sandinistas it was a moment of delicious, unexpected triumph. After years of charging that the White House was orchestrating a secret war to subvert their Marxist-oriented government, there on Nicaraguan TV screens was living proof of their allegations: a burly, rugged-looking, redheaded American named Eugene Hasenfus. The prisoner looked the part he played. Hasenfus, 45, a gung-ho patriot and soldier of fortune, had been captured after parachuting from a U.S. plane that was shot down by Nicaraguan soldiers while on a mission to deliver arms to *contra* rebels in southern Nicaragua. Three other men, two Americans and a Nicaraguan, were killed in the crash.

YO-HO-

Death in El Salvador

The first tremors struck at 11:55 a.m. Friday. By nightfall El Salvador's capital, San Salvador (pop. 800,000), was virtually cut off from the rest of the world, plunged into darkness and littered with rubble. Though the quake, at 5.2 to 5.4 on the Richter scale, was considerably weaker than the 8.1 killer that leveled much of Mexico City last fall, it appears to have wrought terrible destruction.

Amid confusion, reports put the toll as high as 400 dead and 6,000 injured. Scores of stricken people lay outside overcrowded hospitals. Others wandered aimlessly through broken streets covered with shattered glass. Hardest hit were the city's slums, where wood and adobe shanties simply crumbled. Many victims were children: 30 were buried under the Don Bosco School, southeast of the city, which collapsed just before students were to go home. Reported Radio Commentator Francisco Espinoza: "I've seen bodies that are destroyed, especially of children. Desperate people are digging among the rubble, looking for dead and wounded."

Andy Warhol: 1928-1987

The tabloids gave Andy Warhol a Viking funeral last week, as well they might. At 58 he suffered cardiac arrest following gall-bladder surgery. To the end, he remained surrounded by an aura of popular fame such as no other American artist had ever known in his or her lifetime—a flash-card recognizability that almost rivaled Picasso's. Millions of Americans who could not have picked Jasper Johns or Henri Matisse from a police lineup could identify that pale, squarish, loose-lipped face with its acne, blinking gaze and silvery wig.

It was bound in soothing blue and bore the Presidential Seal. Its language was restrained, dignified, sometimes even gentle. But its message was scalding. Rarely has a presidential commission so sharply criticized its creator. The 288-page report of the President's Special Review Board on the Iran-contra affair describes an incredibly inattentive Ronald Reagan, a hear-no-evil Secretary of State George Shultz and Defense Secretary Caspar Weinberger, a devious former CIA Director William Casey, and a Chief of Staff Don Regan whose proclaimed mastery of spin control failed miserably when faced with a matter of substance. And while these officials floundered, Oliver North, with the approval of his boss on the National Security Council staff, John Poindexter, showed a reckless disdain for the laws of the land by creating a covert network to fund the *contras* in Nicaragua while trading arms to the Iranians.

"I'm Leaving, I'm Leaving!"

The end, when it came, was brutally abrupt for Donald T. Regan. Sitting in his office Friday afternoon, the chief of staff pronounced himself vindicated by the Tower report: "1,250 lines on 'What Was Wrong' and I'm mentioned in 15, less than 2%," he declared. He confided to TIME Correspondents David Beckwith and Barrett Seaman that he planned to resign Monday, on his own schedule. But he was clearly unsettled. No, he didn't know who his successor would be, and no, he hadn't been invited to a Reagan summit that night to discuss presidential strategy.

A new recorder draws protests

Bring out the sandbags! The American music industry is already at war with a new audio technology that is expected to land in U.S. stores sometime this year. The enemy is the digital audio tape, yet another advance in high-quality sound reproduction that will be marketed by Japanese electronics firms. DAT's imminent arrival on U.S. shores has stirred a protectionist outcry from an entire industry, all the way from record-company headquarters in Manhattan to sound studios in Los Angeles.

The new technology takes consumer electronics one step beyond the compact disc. Like CDs, DAT is a product of the digital recording techniques that use computers to sort sound into billions of bits of information before they are put on magnetic tape. While current models of CD players can only play music, however, digital tape machines can also record live music and copy other recorded music.

Girls Cross Country

Row 1: J. Sparks, L. Price, N. Stassen. Row 2: D. Carter, M. Diaz, A. Bewtra. Row 3: P. Ramsay, L. Guiette, C. Johnson, K. Claussen, D. Hinchberger.

The Most Valuable Player for the Girls Cross Country team this year was senior Chrisi Johnson.

This year's edition of the Lady Pioneers was an outstanding group of team oriented runners. Chrisi Johnson led the girls in consistently dominating their opposition, ending the season with an overall record of 9 - 1 record. Their only loss coming at the hands of Haverford, the 6th place finisher at the State Meet. Chrisi was 2nd place finisher at the Central League Meet and her finish at the District Meet qualified her for participation at the State Meet. Nicole Stassen was a determined runner who consistently fought for a winning place for the team. Nicole's 13th place Central League finish (last year 30th) gives good evidence of her improvement.

Cross Country's most improved player was senior Nicole Stassen.

Boys Cross Country

Row 1: C. Howe, A. Nappi, M. McKay, K. Peterson. Row 2: C. Lateack, T. Kelly, D. Coyne, D. Gates, I. Gilligan, C. Ruppe, D. Scarcello, C. Endy. Row 3: P. Ramsay, D. Neely, R. Sharpless, B. Euler, J. Shumake, R. Piccone, C. Schwartz, L. Sadrian, E. Sanchez, T. O'Conner, R. Flanagan, D. Hinchberger.

The Boys' Cross Country season was one of roller coaster existence. Although the team lost a number of quality performers last year (including the Central League Cross Country Champion), the potential for this season opened optimistically with a successful scrimmage against Unionville and West Chester East; a non-league victory over Downingtown (this year's Ches-Mont league champion) and a strong showing at the Indian Invitational (where Terry Kelly placed 7th in a field of over 200 runners). Injury and illness then plagued the Pioneer thinclads who finished the season with a 5 - 5 overall record. Charles Rapp remained a consistent performer who will be the heir apparent to Conestoga's 1987 Cross Country fortunes.

The Most Valuable Player for the Boys' Cross Country team was senior Terry Kelly.

The boys' most improved player was a striving sophomore, Charles Rapp.

Field Hockey

Varsity: Row 1: C. Dute, S. Mansfield. Row 2: S. Carr, L. Scott, D. Yeomans, C. Michaud, P. Hughes, S. Winnert, S. Fuller. Row 3: A. Adams, W. Graham, S. Stuchell, C. Alderman, J. Kaiser, S. Dettrick, L. Saylor.

The Girls Hockey team made Conestoga history by winning the 1st ever Central League Championship in Field Hockey. Not only did they win the championship, but they were undefeated in league play. As they moved into Districts, the competition got harder and the team fell to W.C. East, 2-1, in the district finals. As they moved into state competition, the Lady Pioneers fell to lower Dauphin 2-0. Co-captains Samantha Mansfield and Carolyn Dute led the team to an awesome season. The J.V. was 8-1-3 overall, and they are looking forward to next season.

J.V.: Row 1: K. Pusey, D. Holly. Row 2: M. McGuire, M. Babiec, E. Keel, M. Billet, H. Park, S. Brown, S. Moskowitz. Row 3: K. Parisi, D. Pilgrim, B. Coccia, C. Prell, S. Snyder, N. Pergman, J. Drury, A. Caracas, H. MacKentine.

Co-Captains Glenn Mahoney and Craig Downey

The 1986 Pioneers played with determination and enthusiasm. Each game represented a new challenge which the team met by performing with a great deal of "heart" and "character" -- they never gave up even in the face of defeat. Throughout the season, the seniors provided excellent leadership and set a good example for the younger players to follow. The highlights of the season included strong, consistent defense and a steady offense with wins over Great Valley, Haverford, Upper Darby, and Radnor. The courage and effort displayed by the team certainly made them "winners" in football, and "winners" for life.

Golf

This season was a tribute to co-captains Ken Oliver and Steve Gorecki; to seniors Mark Leuders, Marc Sanders, Frank Whelan; to underclassmen Dave Palmer, Chris Quinn, Chucko Stead, Dan Berringer and Andy Achenbach whose dedication and enthusiasm enabled the winning tradition of Conestoga Golf to continue. Under the leadership of coach Ed Bialous, the golfers won the Central League title, and placed three players on the All-Central League team: Steve Gorecki, Ken Oliver, and Marc Sanders.

Row 1 D. Palmer, C. Stead, D. Berringer, A. Achenbach, Coach Bialous. Row 2: C. Quinn, K. Oliver, S. Gorecki, F. Whalen, M. Sanders.

Co-Captain Ken Oliver was voted the Most Valuable Player for this season. Also, he was part of the All-Central League team.

Steve Gorecki, the other Co-Captain, was also a member of the All-Central League team.

Soccer

The 1986 Soccer Pioneers completed the season with an 11 - 4 - 1 overall record. A combination of youth and experience was one of the keys in helping the team attain its finest record in recent history. Season highlights included wins over ranked and previously undefeated West Chester East, and Marple Newtown. The Pioneers finished the season with a six game winning streak, and a resounding 6-2 victory over arch rival Radnor.

Varsity Row 1: E. Miller, S. Browne, B. Temple, D. Thomas, K. Thibault. Row 2: M. Corcoran, B. Hoffman, J. Dury, J. Thibault, J. Beyer, D. Jones, J. Vantiem, J. Brennen. Row 3: J. Parisi, M. Anthony, B. Rieley, D. Koslowsky, E. Brown, D. Kinnear, M. Wilding, N. Heckman, C. Perillo, A. Precions, G. Williams, Coach Laurbach.

J.V. Row 1: M. Connelly, M. Bataglia, S. Engels, T. Robinson, A. Walsh, C. Krause, J. Larkin, J. Cobb. Row 2: P. Ewing, R. Blake, M. Johnson, P. Strzleck, S. Curtis, S. McVeigh, G. Clendenning, P. Fitzpatrick, C. Pequignat, L. Dury, E. Jansen.

Contrary to the normal vote for MVP this year, two out-standing players were chosen. Kirk Thibault, a senior, was part of the All-State team, and also qualified for 1st team All-Central League. Derek Jones, also a senior, was the other player chosen for Most Valuable Player for his over all outstanding season.

The most improved palyer this season was senior Mike Corcoran.

Tennis

Row 1: G. Miller, A. Snyder, J. Ermillio, M. Tyson, J. Ladden, L. Jacoby, D. Harrison, J. Chopack. Row 2: A. Willing, E. Silcox, M. Bocchini, K. Tempas, S. Pearson, P. Moser, T. Lebre, B. Emswiler, A. Stevens, B. Rhoder, J. Ill, T. Chase.

Led by senior co-captains Paige Moser and Becky Emswiler, the Pioneer netgals captured the Central League without the loss of a single match. In this, the team's third consecutive championship season, the garnet and gray saw two doubles teams advance to the quarterfinals of the Central League tournament, and Gayle Miller place second in states. By the end of the schedule, the Varsity lineup was composed of Miller, Lebre, Stephens, and Tyson at singles; and Ladden/Emswiler, Moser/Pearson, and Snyder/Tempas at doubles. Coach Fran Schector was quoted as saying, "The girls really proved to themselves they could win as a team."

Captains Becky Emswiler and Paige Moser.

Gayle Miller made her significant contribution to the team this year, by advancing to districts, and on to states. In State competition, Gayle placed second. Congratulations Gayle!

Row 1: K. Schwarze, S. Jones, I. Ou, T. Bonza. Row 2: H. Kelley, P. Chiu, J. O'Brien, G. Madrigal, A. Ho, C. Murphy, C. Aurtalle. Row 3: B. Wilson, A. Roach, P. McGinley, J. McClennehan, N. Felini, C. Crenshaw, M. Taylor, J. Ho, M. Bullinger, A. Köllerman, K. Mears.

Senior Missy Taylor led the team, and was voted most valuable player for this season. She was also a member of the 1st team All-Star team.

This year was one to be remembered by the 1986 Volleyball squad. They tied for second place in Central League and went to the quarter finals in districts. This was the farthest ever for Conestoga Volleyball. Quite an accomplishment. The captains were Missy Taylor and Judy O'Brien. Missy Taylor and Ancha Köllerman were both chosen as members of the All-Star team. (1st and 2nd respectively.) Congratulations girls.

Those Faithful Fans

Ah! Those faithful fans. How many times did their steady presence keep you going? How about their shouts of encouragement? Whatever sport you played, you had to have noticed all those fans who came to cheer for Conestoga teams as we fought our way to the top. Some of our teams wouldn't exist without that ever present stability our fans offer. Our fans came in all shapes and sizes from little brothers and sisters to parents and classmates. You couldn't go to a football game without seeing millions of cheering people and faces painted in garnet and gray. Bandfront screamed their lungs out to the beat the band set. Stern-faced parents looked on in rapt attention, with lawn chairs folded out wearing bundles of at those fantastic field hockey games. Raving screams echoed from both the away and home soccer games. Our ice hockey fans were so excited we were tempted to toss things into the rink. We can't forget our marvelous fans for basketball season. Gerry's Kids originated our cheering section from "1-2-3-4 Get the ..." to "Nice green hat!" The newspapers and chants of "boring" will echo forever in our minds. Thank you to ALL of the fans who supported us through thick and thin. Keep up that Pioneer spirit!

Champions

Dominating — the Boys Basketball Team definitely had what it took this year to dominate the court. Records were broken like never before. Starters Clay Buckley, Dane Watts, Joe Paytas, Steve Burton, and Randy Stover pushed the team to the best overall record in the district with 26-3 without the season being over. Stoga scored second place in the Carlisle Tournament, losing only to state champs Carlisle; they won the Johnstown Tournament, and they captured the District I title over Coatesville. The team will definitely crush at States. Personal achievement was also outstanding! Dane passed the 1000 point mark, Clay claimed the high scorer record with 44 points, and Dane, Clay and Joe were all voted to the all tournament team at Johnstown — where Dane won the MVP. The Stoga Boys Basketball Team of '87 will be remembered for years to come!

Girls Basketball

Varsity: G. Madrigal, K. Claussen, N. Alston, A. Mullin, L. Brockhoff. Row 2: D. Pilgrim, S. Carr, E. Tozer, J. O'Brien, R. Ellis. Row 3: M. Taylor, H. Woelke, J. Dubuc, C. Avitabile, D. Cracas, J. Buckley.

This years Girls Basketball MVP, Nina Alston, has contributed more to the Basketball team than any other girl in Conestoga history! Nina has started on the Varsity team since her freshman year, while breaking all major records. She now holds the Single Season Scoring Record with 446 points this season, the Most Points per Game with 35 points, and the Most Points by a Girl in Conestoga's history with an amazing 1469 points. Nina was also voted the MVP for All Central League, All Main Line, Delaware County, PWS All District by the Inquirer, and voted All Del Valley by Channel 3. Include the fact that she was also awarded the Athlete of the Week twice, and maybe you can begin to see just what an influence Nina has been to Lady Pioneer's Basketball.

Conestoga will definitely miss Nina Alston next year!

The girls Basketball team had an outstanding season, finishing with a record of 15-3 and placing second in the league. Starting players include Seniors Nina Alston, Kelly Claussen, and Giannina Madrigal, Junior Judy O'Brien, and Freshman Jody Buckley. The highlight of the season was the winning of the Lansdale Catholic Tournament, where Nina scored 65 points in 2 games. Nina also broke the record for most points scored in a season (449), and was voted player of the week twice by the Philadelphia Inquirer. The girls made it to the second round of districts, where a tough defeat to North Penn ended the season. These Lady Pioneers were definitely something to be proud of!

This years MVP is Tyrone Washington. He has contributed greatly to the efforts of the Boys Gymnastics team; especially with his outstanding performances on the high bar and the floor exercises. Tyrone has been doing gymnastics for many years at a private club as well as school, and his determination has been a major part of the accomplishments of the team. Congratulations to Tyrone.

The Boys Gymnastics team had an interesting season. Although they came out of the season with a 2-5 record, much of this can be based on the large injury list including Todd Hatton, Brian Epp, Tyrone Washington, John Rodenhausen and Roderigo Martin. Captains this year were Chris Middlestaedt and Rob Miskelly, who led the team to outstanding competitions at Penncrest and West Philadelphia.

This years Lady Pioneer Gymnasts, coach by George Cockerill and captained by Andrea Greeley, Laura McGann and Kristen Unipan worked very hard to their winning record of 5-3 despite the loss of their high scorers from last year. High scores this year were influenced by Amy Potsic, who competed in Districts; Sandy Engle, who competed in States; and Laura McGann this years MVG: Most Valuable Gymnast.

Laura McGann led the '86-'87 gymnastics team with her high scores, but also with her motivation which influenced all her teammates. She competed in all 4 events, and worked very hard to catch the attention of everyone in all events, and to dazzle spectators with her almost flawless routines. Her ability was recognized by judges at the Shippensburg State Competition — where Laura placed 11th.

Boys Swimming

Row 1: T. Crane, T. Scott, S. Strobel, J. Curtis, J. Wise, D. Knouft. Row 2: B. Swaney, M. Lloyd, T. Tenbroek, P. Lehman, R. Carson, H. Keller. Row 3: J. White, T. Latayk, D. Lewis, T. Olesky, M. Harrington, J. Knouft. Row 4: Coach Thomas, J. Wilson, M. Gallo, A. Whitten, S. Lewis. Missing: D. Lloyd.

Jim Curtis has been a shining star for the Boys Swim team this year. With his specialty, the backstroke, and strong performances in the relays, Jim went far in states, and has qualified for nationals. Next year, Jim should be a major part to the team.

The Boys Swim Team started the season with the hope of recapturing the Central League Title and placing high at the District meet. But illness hurt the team, especially in losing Dave Knouft, an All-American. Captains Ted Crane, Tom Scott, and Steve Strobel, with the rest of the team finished with a 6-4 record. The team did finish strong, winning 4-5 of their final meets, and some members did go on to finish well at States.

Girls Swimming

Row 1: A. Andre, J. Bridwell, K. Keel, D. Yeomans, L. Cromwell, T. Marsden, J. Kleiderline, T. Chase. Row 2: P. Duckworth, S. Torell, H. Lowe, A. Bramen, M. Sarris, J. Clarke, J. Westerman, L. Tripp. Row 3: K. Fitzgerald, A. Scott, M. DuPont, J. Wilson, C. Huff, J. Johnson, R. Strickler. Row 4: C. Venters, S. Duckworth, J. Chapack, L. Whampler, L. Mailly, C. Lupica, M. Sharpless. Row 5: S. Eck, K. Mascanga, M. Castle, L. Stowell

The Girls Swim Team had one of it's finest seasons in school history. They captured the Central League title for the 2nd year in a row, finishing with a record of 11-0. The team won Districts by winning 4 1st places and a handful of 2nd-6th places. The next hurdle for this team was the State meet at Penn State. This meet proved to be a wrap-up of a great season, when the girls placed 4th overall with the help of Jen Wilson's 4th place finish in the 100 yd Butterfly and Jane's 3rd place finishes in the 50 and 100 yd free-style, plus the 400 yd relay team finished 3rd in an amazing come-from-behind race. Coach Danny Reichert summed up the season by saying that "this was the nicest team I have ever coached!"

Jane has dominated this year, as in years past, in every event she competed in. Jane topped her season in Districts by winning the 50 and 100 free, as well as being a part of the winning 400 free relay team. She was also named the most outstanding swimmer of the meet. Jane is hoping to capture the 50 and 100 free events at States, and she will definitely be a contestant at Nationals.

Winter Track

Row 1: Coach Kieths, S. Macan, S. Duke, J. Hendren, J. Shumake, T. Kelly, M. Mitchell. Row 2: L. Gilette, T. O'Connor, E. Sanchack, R. Sharpless, R. Knewstubb. Row 3: L. Mears, L. Price, C. Rapp, P. Mazza, K. Mears. Row 4: Coach Ramsey, A. Bewtra, M. Rice, D. Carter, B. Jacobs.

An individual team sport requires an individual determination and enthusiasm for it's participants. Gayle Calloway has shown this throughout winter track. In the high jump, Gayle placed 2nd at the Meet of Champs, and 7th at States. She always gave competition to her competitors!

Does Carl Lewis have a younger brother? It seems so at Stoga. Jeff Shumake has excelled in many events, including the breaking of records in 60 hurdles, the 300 yard dash and the 500 meter run. He placed 2nd in the Meet of Champs, 3rd in States, and 8th at Nationals.

Ice Hockey

M. Oh, D. MacEwan, J. Mason, D. Smink, R. Cowan, A. Lutz, F. Whealen. Row 2: S. Riley, Coach Railton, C. Kegal, E. Ota, S. Browne, W. Froebel, M. Riley, J. Parisi, J. Shelsy, G. Shaw, R. Strawley, M. Coulter, C. Labate, J. Shute, S. Graham.

The Conestoga Icemen have proved themselves as tough this year as in previous years, although they beat the odds after losing 12 Senior players from last year. With Captain Don MacEwan and Co-Captains Ross Cowan, Geordie Shaw, and Doug Smink, the team has had an outstanding record of 12-1-1. The Icemen are 4-0 in their playoff record, after beating the W.C. East Vikings twice and the Downingtown Whippets twice. Their only loss this year came mid-season, and it is the teams only loss in 4 years. Congratulations for an outstanding season.

Wrestling

Varsity: Row 1: A. Nappi, C. Granda, G. Rogers, O. Hibberd, J. Sloan, T. Ray. Row 2: J. Stowell, J. Levinson, T. DeHaven, M. DeHaven, M. Scott, J. Shelton. Missing: P. Danczewski.

The Wrestling Team has shown a lot of team spirit and individual determination this year, proving it with a 12-4-1 record. Many of these wrestlers have proved their talent by competing in Districts, such as Carlos Granda, Anthony Nappi, Owen Hibberd, Jeff Sloan, Tony DeHaven, Jim Stowell, Mike Scott, Andrew Champion, and Jay Shelton. Owen, Mike Scott, and Jay Shelton all made it to Districts, and Owen placed 6th in States. Also included on the All-Suburban Wrestling team were Carlos, Owen, and Mike with Jay as a runner-up. They should all be proud of a great season.

J.V.: Row 1: C. Stead, A. Mollura, R. Drotter, K. Shannon. Row 2: D. Martineau, S. Swords, J. Degus, D. Pass, Coach Wolstenhome.

Owen Hibberd has been given a great honor this year by being awarded the Mo Lear Award for the Most Skillful Wrestler. He has had an incredible season, going 33-4, with about 75% of his wins being pins. Owen has also won positions on the District, State and All-Suburban teams with his super talent, and Owen won a 6th place at the State competition. Stoga will miss his talent, but we know he will be successful wherever he goes.

The Man Who Wins

If you think you are beaten, you are;
If you think that, you dare not, you don't;
If you'd like to win, but you think you can't,
It's almost certain you won't.

If you think you'll lost, you've lost;
For out in the world you'll find
Success begins with a fellow's will-
It's all in the state of mind.

If you think you are outclassed, you are;
You've got to think high to rise;
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man;
But sooner or later the man who wins
Is the man who thinks he can.

New Faculty In Our Midst . . .

This year Conestoga has ten new teachers. These teachers come from either college or from other school districts, but two of these teachers came from within the district, Mr. Cubbler and Mr. Husband both from Valley Forge Jr. High.

The new members of the faculty have been well received by the student body and by the other members of the staff. These teachers have either taken the place of a retired teacher or there was a need for to add more teachers for the 86-87 school year, but either way

they are all glad to be working at The Big "C". They all had a difficult time adjusting to the new surroundings at Conestoga but once that happened they all felt at home with each other and the students here.

There May Be More Beautiful Times: But This One Is Ours!

I look, and the quick tears are in my eyes,
For I behold in every one of these
A blighted hope, a separate history of human sorrows, telling of
dear ties
Suddenly broken, dreams now of happiness . . .
